

Citriclean

D 'Limonene based solvent cleaner

Description

Citriclean is a D 'limonene based cleaner developed to remove grease, oil and dirt deposits from metal parts. It leaves a clean surface with virtually no residue. **Citriclean** is compatible with all metals including aluminum, copper, stainless steel, brass, mild steel (1010, 1008) and silicone steel alloys.

Performance Benefits

- Low residue
- Non-Corrosive
- Pleasant citrus odor

Recommended Applications

Citriclean is used in solvent tank parts washers

Characteristics

Properties	Unit	Test Method	Value
Appearance	-	Visual	Colorless
Density @ 15°C	Lbs/gal	-	6.33
Viscosity @ 100°F	SUS	ASTM D446	32
Flash Point	°F	ASTM D92	120
Copper corrosion	3 hr at 100°C	ASTM D130	1A
